CLUB NOTES

CHANCE TO AVENGE A CUP DEFEAT

Confounding almost all the prophets, and upsetting 'Spurs' manager Billy Nicholson in the process by wrecking his immediate ambitions, North End made last Saturday a great day in Deepdale history by knocking Tottenham Hotspur out of the Cup. This brilliant fifth round win followed success against Charlton and Bolton.

To add to the pleasure of the supporters, players and ourselves there was no question about justice being done by the result, which was fully merited on the play and the more to North End's credit because the 'Spurs in an early break through were given the lead by Jimmy Greaves. Our team took this shock in their stride.

The initiative was seized and firmly held, North End combining well as a team and displaying a most enthusiastic spirit which was maintained throughout an exciting game packed with incident. Alex Dawson headed a fine equaliser from George Ross's centre and Ernie Hannigan shot a second half decider at short range following a partial save from Alan Spavin. We might easily have scored more.

Spurs, despite the glamour of a team which cost a mint of money to assemble (about eight times as much as our own!) were well and truly beaten and out-played by a more determined and enterprising side which kept hard at it from start to finish. Tottenham were never allowed to take command.

CLUB NOTES—*continued*

In view of our present somewhat alarming League position, due to the disquieting and rather surprising fact that we have not won a Second Division match for three months, all North Enders sincerely hope that the matches ahead are approached in the same practical and earnest manner, and with the wholehearted endeavour shown in achieving the triumph against Spurs.

This goes for our forthcoming quarter final, too. As everyone knows North End have been drawn at home and given the formidable task of tackling the Cup favourites andrecent magnificent conquerors of Benfica in the European Cup. Their outstanding performance at Lisbon adds great interest to the match

Nevertheless, we are not overawed, nor is the confidence of the team shaken. This is a Cup-tie, and what North End have done once they could do again. We have proved ourselves a good Cup fighting side over a long period of years, and as recently as 1962 gave the United a hammering in the sixth round at Deepdale without being fortunate enough to clinch the issue.

Losing the replay at Manchester by the odd goal we now have an opportunity for revenge in what will be the twentieth quarter final in the club's history, a pretty good record you will agree.

OUR VISITORS—*Huddersfield Town*

Most welcome at Deepdale to-day are our old friends and rivals with whose teams past and present have had many a hard, tough struggle in League and Cup, decidedly not forgetting the Finals of 1922 and 1938. Both were decided by the only goal, in each case a converted penalty, with honours eventually even.

No old Preston follower needs reminding of what happened at Stamford Bridge in 1922. Our left back Tommy Hamilton was adjudged to have fouled Town winger Billy Smith in the area, hotly though he and his colleagues argued that the infringement was committed outside, and W. H. Smith scored with the spot kick.

Sixteen years later at Wembley this "injustice" was avenged, the last seconds of extra time — probably the most dramatic moment in any Cup Final. This time it was Huddersfield who vainly protested. They claimed that Alf Young did not really foul Mutch. The referee decided otherwise and Mutch scored.

In between was a North End fifth round flop at Leeds Road during our revival of 1931-32, Huddersfield extinguishing the optimism created by two fine wins against Bolton Wanderers (away) and Wolves (home) with a 4-0 victory.

Out of the F.A. Cup through being defeated at home by Sheffield Wednesday last Saturday, Huddersfield may be depended upon to do their utmost to make amends by gaining promotion. They come to Deepdale well placed, being only two points behind Manchester City, the leaders, and two ahead of Coventry from 30 games each.

In their present side are seven Yorkshiremen, two from Notts, one Ulsterman and one Scot. Eight were reared by Town and the rest did not cost much.

Founded in 1908, Huddersfield were elected to the League Division II in 1910. In 1926 set up a record, since equalled by Arsenal, of winning the League title three years in succession. They were runners-up in the next two seasons.

POLICE NOTICE TO CAR PARKERS

The co-operation is sought of all motorists who attend Football Matches at Preston North End. It is particularly requested that full use should be made of the car parks which are provided.

Indiscriminate parking of motor vehicles in side streets and upon grass verges causes serious obstruction, annoyance to residents and pedestrians, and damage to grass verges. Where side streets are used for parking, this must be on one side only so as to facilitate the free flow of traffic. Cars must not be left in dangerous positions, obstructing road junctions or across garage entrances.

The Police hope that all motorists will comply with this notice. By so doing they will avoid being prosecuted for inconsiderate use of the highway.

HUDDERSFIELD TOWN PLAYERS

John Oldfield (*Goalkeeper*). Dependable and not showy, has proved his worth in progressing from amateur ranking. Well built at six feet, 12 stone. Notts born.

Dennis Atkins (*Right back*). On small side but highly efficient. Another Town product, he was born at nearby Bradford. Last season 27 League appearances.

Bob McNab (*Left back*). Also rose to League status from Huddersfield amateurs and is of trim build without being tall. Did well last season. Born Huddersfield.

Jimmy Nicholson (*Right half*). Born Belfast and frequently capped by Northern Ireland. Strong, terrier-like acquisition from Manchester United.

John Coddington (*Centre half*). One of the best stoppers in the business with the height (six feet) and weight (12st. 5lbs.) to make it easier. Born Worksop.

Peter Dinsdale (*Left half*). Former Yorkshire amateur who hails from Bradford. Not as tall as Coddington but slightly heavier. Last season 25 League games.

Stephen Smith (*Outside right*). Native of Huddersfield developed from local schoolboys' football. Promising wingman who took his chance last season.

Allan Gilliver (*Inside right*). Belongs to Sheffield, but learned most of his football with Huddersfield, starting as an amateur. Ten League games last season.

Tony Leighton (*Centre forward*). Born at Leeds and recruited from Barnsley. A strong bustling raider who scored eight goals in 18 League games last term.

John Quigley (*Inside left*). Hails from Glasgow. Schemer of the side, was a shrewd buy from Nottingham Forest, for whom he played in the 1959 Cup Final.

Kevin McHale (*Outside Left*). Recently replaced Ray Veall. Born Darfield and arrived at Leeds Road from Barnsley Schools. Last season 32 League games.
